12.1 **No Liability**

Neither the Security Agent nor any Receiver shall be liable in respect of any of the Assigned Rights or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence or wilful default under the Finance Documents.

other Secured Party, or by any other act, event or matter whatsoever whereby the liability of any Assignor (as a surety only) or the charges contained in this Deed (as secondary or collateral charges only) would, but for this provision, have been discharged.

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Relevant Person or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

12.5 **Security Agent**

The provisions set out in clause 30 (*The Security Agent*) of the Facilities Agreement shall govern the rights, duties and obligations of the Security Agent under this Deed.

12.6 **Delegation**

The Security Agent may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this Deed to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit. The Security Agent will not be liable or responsible to any Assignor or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

12.7 **Cumulative Powers**

The powers which this Deed confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Deed are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured

Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

13. POWER OF ATTORNEY

Each Assignor, by way of security, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed by each Assignor, irrevocably and severally appoints the Security Agent, each Receiver and any person nominated for the purpose by the Security Agent or any Receiver (in writing and signed by an officer of the Security Agent or Receiver) as its attorney in its name and on its behalf and as its act and deed to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which the attorney may consider to be required or desirable for:

- (a) carrying out any obligation imposed on any Assignor by this Deed or any other agreement binding on such Assignor to which the Security Agent is a party (including the execution and delivery of any deeds, charges, assignments or other Security and any transfers of the assets subject to the Security and perfecting and/or releasing the Security created or intended to be created in respect of the Assigned Rights) which the Assignor has failed to carry out within five Business Days after receiving notice from the Security Agent requiring it to do so; and
- (b) at any time after the Security created under this Deed has become enforceable, enabling the Security Agent and any Receiver to exercise, or delegate the exercise of, all or any of the Assigned Rights (including, as relevant, the exercise of any right of a legal or beneficial owner of the Assigned Rights).

Each Assignor covenants with the Security Agent and each Receiver to ratify and confirm all such acts or things made, done or executed by that attorney in the exercise or purported exercise of any or all of its powers.

14. PROTECTION FOR THIRD PARTIES

14.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Agent or any Receiver to exercise any of the powers conferred by this Deed has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Secured Obligations remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

14.2 Receipt Conclusive

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve it of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

15. REINSTATEMENT AND RELEASE

15.1 Amounts Avoided

If any amount paid by any Assignor in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the Assignor or otherwise, then for the purposes of this Deed that amount shall not be considered to have been paid.

15.2 **Discharge Conditional**

Any settlement or discharge between any Assignor and any Secured Party shall be conditional upon no security or payment to that Secured Party by the Assignors or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this Deed) that Secured Party shall be entitled to recover from the Assignors the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

15.3 **Covenant to Release**

Upon the expiry of the Security Period the Security Agent and each Secured Party shall, at the request and cost of the relevant Assignor, execute any documents (or procure that its nominees execute any documents) or take any action which may be necessary to release and cancel the Security created by this Deed and reassign the Assigned Rights to the Assignor, subject to Clause 15.1 (*Amounts Avoided*) and without recourse to, or any representation or warranty by, the Security Agent or any of its nominee(s).

16. **CURRENCY CLAUSES**

16.1 **Conversion**

All moneys received or held by the Security Agent or any Receiver under this Deed may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

16.2 **No Discharge**

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of any Assignor in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the Assignors and shall be entitled to enforce the Security constituted by this Deed to recover the amount of the shortfall.

17. **SET-OFF**

Following an Event of Default which is continuing, the Security Agent may (limited in the case of a Security Provider to the proceeds of enforcement of its Assigned Rights from time to time) set off any matured obligation due from a Relevant Person under the Finance Documents (to the extent beneficially owned by the Security Agent) against any matured obligation owed by the Security Agent to that Relevant Person, regardless of the place of payment, booking branch or currency of either obligation (and, for the avoidance of doubt, no Relevant Person shall have any right to set off any matured obligations due from the Security Agent under the Finance Documents against any matured obligations owed by that Relevant Person to that Finance Party). If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

17.1 **No Set-off**

Each Assignor will pay all amounts payable by it under this Deed without (and free and clear of any deduction for) any set-off or counterclaim.

18. RULING OFF

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Assigned Rights (except as permitted by the Facilities Agreement) it may open a new account for any Assignor in its books. If it does not do so then (unless it gives express notice to the contrary to the Assignor), as from the time it receives that notice, all payments made by an Assignor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the Assignor and not as having been applied in reduction of the Secured Obligations.

19. REDEMPTION OF PRIOR CHARGES

The Security Agent may, at any time after an Event of Default has occurred and is continuing, redeem any prior Security on or relating to any of the Assigned Rights or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Assignor. Each Assignor will on demand pay to the Security Agent all principal moneys and interest and all losses incidental to any such redemption or transfer.

- (b) Any communication or document to be made or delivered to the Security Agent will be effective only when actually received by the Security Agent and then only if it is expressly marked for the attention of the department or officer identified with the Security Agent's signature below (or any substitute department or officer as the Security Agent shall specify for this purpose).

A certificate or determination of the Security Agent as to any amount payable under this Deed will be conclusive and binding on each Assignor, except in the case of manifest error.

22.2 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

22.3 Invalidity of any Provision

If any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

23. ACKNOWLEDGMENT BY THE SECURITY AGENT

The Security Agent acknowledges and confirms that:

- (a) the creation of the Security pursuant to (and the compliance by the Assignors with the terms of) this Deed does not and will not constitute a breach of any representation, warranty or undertaking in the Finance Documents; and
